

Chocolate Chip Cookies

Chocolate chip cookies, you gotta have more
You can bake 'em in the oven, or buy 'em at the store
But whatever you do, have 'em ready at my door
And I'll love ya till I die!

They're made out of sugar and butter and flour
You put 'em in the oven about a quarter hour,
But the thing that gives them
their magic power
Is the chocolate chips inside.

Chocolate chip cookies, you gotta have more
You can bake 'em in the oven, or buy 'em at the store
But whatever you do, have 'em ready at my door
And I'll love ya till I die!

You can't eat one, you can't eat two
Once you start chewing, there's nothing to do
But clean your plate, and eat the crumbs too
Then go and find some more

Now when I die, I don't want wings
A golden halo or a harp that sings
Give me a book and someone that brings me
Chocolate chip cookies all day

Chocolate chip cookies, you gotta have more
You can bake 'em in the oven, or buy 'em at the store
But whatever you do, have 'em ready at my door
And I'll love ya till I die!
