

Ten Little Ants

One little, two little, three little ants
Four little, five little, six little ants
Seven little, eight little, nine little ants
Ten little ants ate my apple pie
Waaah...!

One little, two little, three little ants
Four little, five little, six little ants
Seven little, eight little, nine little ants
Ten little ants ate my hamburger
Waaah...!

One little, two little, three little ants
Four little, five little, six little ants
Seven little, eight little, nine little ants
Ten little ants ate my chocolate cake
Waaah...!
